

In order to best serve you, can you tell us a little about yourself, your group and the event you'd like us to speak for? Please complete as much as you'd like or know at this point. Someone from Farrel Communications will be in contact with you soon.

Bill and Pam want to team with you! The Farrels are popular and sought-after speakers and are available as a team for marriage, parenting or family settings. Their specialty is one night "Date Nights" and upbeat, humorous, Biblical, practical two-day events. (They are also available for a full weekend on a limited basis, so book early for that option!) You may also want to book just Pam or just Bill for a women's or a men's event. Pam is available for special events, midweek or weekends; and one, two or three day events. She is flexible and loves working with leaders to plan an event that will encourage, equip and inspire women. Bill is currently also a full time Pastor (of Small Groups at Shadow Mountain Community Church with Dr. David Jeremiah) so it is important to try to book Bill as early as possible for the best choice of dates. Bill is also a popular Bible conference speaker. If you would like to bring either Bill or Pam, or both the Farrels to your church, para church group, or business to speak, please complete the speaking request form below and we'll contact you as soon as possible to answer all your questions and explore available dates. We look forward to the opportunity of serving you, and teaming with you to provide the best event possible! (Just fill in the blanks and click send!)
